

PUBLIC MEETING

MARTIN LUTHER KING, JR. DRIVE CORRIDOR TRANSPORTATION STUDY

The MLK Corridor Study will focus on preservation and enhancement of residential and commercial areas; accommodating through-traffic and visitors whose access and mobility is important to the success of activity centers in the region; and developing a full range of transportation options for pedestrian, transit, bicycle, as well as automobile traffic.

Thursday, October 21, 2004
6-9 pm

Adamsville Recreation Center
3201 Martin Luther King, Jr. Drive
Atlanta, GA 30311
(404) 505-3181
